

Speaker Bio - Jason Larson
Chief Operating Officer, The IDM Companies

Jason is currently the COO of the IDM Companies, a 29-year-old fully integrated real estate company that owns and manages over 6400 units of multifamily and over 2 million square feet of industrial.

Jason's career has spanned across technology, investment banking and real estate and prior to IDM, Jason was the CEO of Gigapan Systems, the commercial arm of the Carnegie Mellon technology that powers the camera system on the mars rovers.

A passionate supporter of technology and startups, Jason has served as an investor and advisor to dozens of companies in the Pacific Northwest. He also supports the Clark County Food Bank and has served on numerous non-profit boards across the Pacific Northwest.

When Jason is not working, he loves to spend time with his wife and 13-year-old Daughter. You can usually find them at a swim meet or Oregon Duck football game on Saturdays!
